

20th Annual Student Bird Art Contest at Godwit Days

**Co-sponsored by Friends of the Arcata Marsh (FOAM)
and Redwood Region Audubon Society (RRAS)**

Humboldt County students from K through Grade 12
are eligible to enter.

Prizes: Up to \$600 may be awarded;
divisions to be determined based on number of entries received.
Special awards for best renditions of a bird in its natural habitat.

Submission Rules: One entry per student. Maximum size of artwork, including any border material, is 8.5" x 11." (A4 art paper, 8.3" x 11.7," is also acceptable). Artwork must be light enough to be pushpinned to a wall for display. Subject must be a bird listed on the back of this flyer or another **locally occurring species**. Show off your skills using **non-digital media**, from paint to charcoal, graphite, markers, pastels, and more. Entries with glued-on components (e.g., glitter, twigs, grass) or created with pastel chalk must be **submitted in plastic sleeves**. Do not frame. Entries submitted by individual students, rather than through teachers, **must include an envelope with sufficient postage stamps to cover return mailing cost**. The following must be written legibly on the back of each entry: species of bird being depicted; student's name and grade number; teacher's name, e-mail, phone number, and school mailing address.

Return of Artwork: It is highly recommended that classrooms — especially those located at a distance — enclose a **self-addressed return envelope (minimum size, 9"x12")**, using postage stamps. **Allow until early May for return of entries.** Return packages must weigh less than 13 ounces. Entries lacking return envelopes will be held at the Arcata Marsh Interpretive Center until June 1 for teachers to pick up.

Announcement of Winners and Artwork Display: Winners will be announced and awarded prizes on Saturday, April 15 during a ceremony at the Arcata Community Center. Color copies of winning art will be displayed at the Arcata Marsh Interpretive Center during May and June. A reception for the general public is planned for mid-May. Winners' names will be published in the FOAM newsletter and sent to local media. A booklet of all winning artwork and any artist photos taken during the awards ceremony will be posted at www.rras.org, www.arcatamarshfriends.org, and www.godwitdays.org.

Deadline for Receipt of Entries: 5 p.m. on Saturday, March 18. Drop off at the Arcata Marsh Interpretive Center, 569 South G Street, Arcata, or mail to Sue Leskiw, 155 Kara Lane, McKinleyville CA 95519.

Contact sueleskiw1@gmail.com with any questions.
